

Figure 34. Recreation of Frank Cushing's 'Plan of Zuni Cornield'

Key: a. maize plots **b.** stone borders **c.** second embankments
d. Ti'-kwa location & embankment **e.** dry dam **f.** arroyo

Water flow

Scale: 0' 250' 500' 750' 1000' 1250'

Created by Daniel Kletzing

The Zuni used brush dams extensively for hundreds of years, capturing rich soil runoff via brush dams that conveyed the soil to fields.
